## Kindergarten Registration Begins at Loma Prieta Elementary School on February 6, 2012

If your child was born on November 2, 2007 or earlier, we welcome you to come in to our elementary school office between the hours of 8:00 a.m. at 3:00 p.m. to obtain a registration packet for your child. If you have any questions, please do not hesitate to contact the Loma Prieta Elementary School office at (408) 353-1106.

The Governors proposed budget for the 2012-2013 school year eliminates funding of Transitional Kindergarten (TK) program. As a result, Loma Prieta will not conduct registration for the TK program at this time.
