Mary Pope Osborne

What would you do if a tree house in your neighborhood could transport you anywhere you wanted to go?

While exploring one afternoon, siblings Jack and Annie discover a tree house full of books. Jack looks through a book about dinosaurs and wishes he could see a real one. Suddenly the wind begins to blow and the tree house starts to spin wildly. When it finally stops, Jack and Annie open their eyes to find they have been transported back to the time of the dinosaurs. Join Jack and Annie on their adventure back in time to experience an amazing group of dinosaurs face to face.
