Highlighting the Athletic Achievements of Loma Prieta & CTE Students

Boys Basketball

The 8th-grade team faced-off against competitive squads all season long, and while the team certainly improved over the weeks, they ended the season with a 0-10 record. Their best chances for a win were against Campbell and Monroe, but unfortunately they still were on the low end of the scoreboard when the buzzer sounded. One of Coach Brandt's favorite player highlights for the season included when Ian made a behind-the-head 3-point shot at the buzzer during their very first game. In another match, Niko scored 13 points, and in their last match, Ian went 10 for 11 from the free throw line.

The 7th-grade boys also played hard all season with true CTE spirit, good attitudes, and 100% effort. Their coach commented on how much the boys improved from one game to the next. "At no time did the players give up, not even when a third of the school was out sick and many basketball players home in bed."

The 6th-grade boys basketball team started with a large group of mostly novice players. Throughout the season the boys' skills improved both individually and as a team. By the end of the season, the boys were scoring more and defending strongly. Cyrus Van Sciver was the leading scorer, Martin Moelgaard and Glenn Grant-Richards learned to maneuver the ball around the other team's defense. Luke Davis and Miles Martin achieved some 3-point shots. Alec Bercaw and Daniel Fichthorn weren't afraid to grab the rebound. Nolan McClurg and Ethan Almaneih were aggressive out on the court. Sebastian LaGalante and Mike Ramsay were strong defenders. Dylan Bronfeld, Maciej Buszco and Blade Castro really improved their skills. The team had a fun season, and despite their losses and really came together – the fans are already looking forward to what the boys will do in league next year!

Girls Volleyball

The season is underway for girls volleyball. The first matches of the year were held last week against Price middle school. In the 6th-grade match, the scores were 11-25 and 5-25. The 7th- grade team also lost, but started the match by giving Price a bit of a scare thanks to some good serving by Tatum Korb and Adian McGuire who helped get the score up to 9-2. Unfortunately, Price servers took over then and the Cheetahs just couldn't keep up, with the final game scores 13-25 and 6-25.

One more thing...

If you know about a local student-athlete that has excelled in their sport – whether it's mountain biking, skiing, equestrian events, gymnastics, you name it! – please send an email to mtnkid_sportsnews@yahoo.com. We'll be highlighting the extracurricular sporting achievements of Loma Prieta and CTE students in future editions.
