Highlighting the Athletic Achievements of Loma Prieta & CTE Students

Girls Volleyball

The Cheetah girls continued practicing hard and faced some good competition in their games last week. The 6th and 7th-grade girls' teams were winners at home against the Campbell squads. The 6th-grade match was very close, but the girls got the win with scores of 25-23 and 25-20. Coach Kimiko said, "I am very happy with how the entire team played. As always, serving was very important in this win along with their teamwork, which is improving daily." In the 7th-grade match, the scores were 25-4 and 25-12. Good serving was the name of the game, with Grace Longstreth getting 3 service points, Anne-Marie Lacey, Monica Moilanen, Eleanor Kinsella each with 5, Lindsay Templeton with 6 and Tatum Korb with 15 points in the match. Next up for the Cheetahs were the Dartmouth Eagles, who unfortunately swept the Cheetah teams. In the 6th-grade game, the first game was extremely close, with some great serving by Gabrielle, but the final scores were 23-25 and 12-25. Despite some good passing by 7th-graders, Aidan McGuire and Brianna Ferris, the final results were 12-25 and 9-25.

Club Soccer Stars

There are several Loma and CTE students who play for local club soccer teams in the bay area and some of them had some exciting results during their fall/winter seasons. CTE 8th-grader, Loie Bonnet, and her Los Gatos United U14 team were the champions of the top flight of the 2014 Juventus Coppa d'Oro tournament held in December. CTE 7th-grader, Katarina Reid, plays for the West Valley United U13 soccer team, and they finished their season as one of the top teams in the premier level of the NorCal league. Finally, Alec Reiss, a Loma 5th-grader, plays for the San Jose Earthquakes Pre-academy BU11 Team. They finished last season at the top of their league in the premier level of NorCal (undefeated with 40 season goals) and CYSA (30 season goals)!
