Highlighting the Athletic Achievements of Loma Prieta & CTE Students

Loma Prieta Presidential Physical Fitness Awards

The President's Council on Physical Fitness and Sports dates back to 1956, when President Eisenhower initiated the first national testing program. Today, the **Presidential Physical Fitness Award** continues to recognize students who achieve an outstanding level of physical fitness. Boys and girls who score at or above the 85th percentile (based on the 1985 School Population Fitness Survey) on all five events (curl-ups or partial curl-ups, shuttle run, endurance run/walk, pull-ups or right angle push-ups, and V-sit or sit and reach) are eligible for the award. Congratulations to all of the physically fit 5th graders this year, and thanks to Mr. Patino for continuing to facilitate the annual program!

One more thing...

This is our last edition of the school year, but if you know about a local student-athlete that excels in their sport over summer break – whether it's mountain biking, swimming, equestrian events, gymnastics, you name it! – please send an email to mtnkid_sportsnews@yahoo.com. We'll be highlighting the extracurricular sporting achievements of Loma Prieta and CTE students in future editions next fall. Keep sporty, Loma families, and have an active summer break!
