

C.T.E. Grade 7 Yosemite Trip November 16-20 2015

Grade 7 is once again traveling to Yosemite in the Fall

Students will visit quiet meadows,
participate in challenge hikes,
see Giant Sequoias and learn about
the flora, fauna and geology of Yosemite.
They will hike to places that the average visitor never sees!

Students also participate in team building activities
that establish positive connections and impact student interactions

This trip consistently generates life long memories
