Highlighting the Athletic Achievements of Loma Prieta & CTE Students

CTE 6th-grade Boys Win Santa Clara Cross-Country Championships!

After strong performances at the West Valley League Championships the week prior, the Cheetahs traveled down the mountain to compete in the Santa Clara County Cross Country Championships at the challenging Montgomery Hill Park on Oct. 20. There were thirty-nine middle schools represented at the event and the CTE 6th-grade boys' team ran away with the 6th-grade County Championship title! CTE won with 37 points, ahead of 2nd place Miller Middle School (54 pts) and 3rd place Ida Price (64). CTE battled the steep hills and dusty descents on the grueling course, working together to place all five scoring team members in the top 25. The team was led by Alec Reiss, racing to an outstanding 2nd place followed by Matthew Fehr (16th), Kurt Beckmann (17th), Ethan Jeffrey (19th), Corbin Lane (23rd), Harris Campbell and Jake Leonhart.

CTE 8th grade girls also placed four scorers in the top 25, for a 4th place finish overall with 70 points. Led by Lindsay Templeton (9th), Aiden McGuire (17th), Bella DeMeo (21st), Kylie Horn (25th), Jasmin Watson and Naia Wilcox.

Outstanding individual CTE performances in the County Meet of Champions were 7th-graders Jack Engel, who placed 12th overall, and Mike Ramsay, who finished 26th. Congratulations to all the Cheetah runners on a terrific season!
