

Kids & Company
Summer Day Camp

June 13 – July 29
7 a.m. – 6 p.m.

Make the most of your summer break by attending “**Summer Explorations**” day camp at Kids & Company. Every week is structured around a different theme and features a fun-filled field trip and swimming at no additional charge. The summer camp program is incorporating **National Best Program Standards for Extended Day School Programs** by scheduling time for lessons focused on science, history, and nutrition, and activities to increase the self-esteem of our campers. Each week also includes crafts, games, an optional dress-up party, and development of social, domestic, and problem-solving “life skills” through cooking, sewing, and team-based activities. Our child-to-staff ratio is 12:1 or better on days when the campers remain on campus, and 7:1 or better on field trip days.

The program is **flexible** by design so you can enroll for the full summer, or only choose to attend some of the camps, and families can choose which days during each camp to attend. We also offer drop-off/pick-up for children involved in other activities located on the school campus. So, whether you are looking for weekly enrichment or an occasional adventure right here on the mountain, Kids & Company has a camp for you.

Tuition includes one camp T-shirt for each camper, which is to be worn on all field trips. Children must bring a morning snack and lunch. An afternoon snack will be provided by Kids & Company. Choose from these camps:

June 13 – 17: Quest for Summer Fun

This week will emphasize summer crafts and outdoor games.

Field trip: **Bounce-A-Rama**

June 20 – 24: Never-Ending Adventures

This camp has a focus on outdoor fun and a visit to a zoo and amusement park.

Field trip: **Happy Hollow Park and Zoo**

June 27 – July 1: Find Your Hidden Talent

Lights! Camera! Action! Here is your chance to write, direct and star in your own show.

Field trip: **Movies**

July 5* - 8: Fun in the Sun

This week will be full of fun challenges from puzzle solving to a scavenger hunt.

Field trip: **Scavenger Hunt through LG**

Tuition Fees

Kids & Company is a non-profit, non-subsidized program. We depend solely on tuition fees to operate this program. A discount is also available for co-enrolled siblings depending on the number of days enrolled; please inquire for more details.

For campers that attend two or more days a week, tuition includes field trip fees, but entrance fees may be charged to campers who attend only on the field trip day during a given week, depending on the cost of the trip.

On-line registration begins in April, and **early enrollment is strongly recommended** to ensure the planned camp days and times are maintained in the summer program. Since the program must have average minimum of 14 students enrolled per day, and the program schedule must be finalized in mid-May, low enrollment as of May 13 may result in modification or cancellation of camp hours/days. In addition, enrollment in the program will be limited on days when school buses are used, so enroll early to secure your child's spot.

If you have any questions, please call **408-353-KIDS** (5437) or visit Kids & Co. any weekday afternoon in rooms 3 & 4.

Commonly Asked Questions

Q. Do I have to enroll by May 13?

A. You do if you want to ensure your child's enrollment and save on tuition costs. Some field trips are prepaid and seating on the buses is limited, so early enrollment ensures your child's spot. Early enrollment is encouraged to allow the staff to plan proper ratios of leaders to children; late enrollments cannot be accepted if staff is not available to maintain these ratios. Further, since the camp schedule must be finalized in advance, low early enrollment (e.g., <14 campers on average per day) can result in modification of hours or cancellation of camp days even when later enrollments achieve the minimum enrollment requirement.

Q. Can I just drop in for a few hours?

A. Summer activities are planned for the whole day and are not suitable for drop-ins.

Q. What if I don't know what days I need each week?

A. Do your best to sign up for the weeks you think your child(ren) will attend. If you find you have enrolled during a time when your child(ren) won't attend, you can withdraw the enrollment if you give at least two weeks notice before the start of the session and only be responsible for your deposit. If you cancel one week before camp, you are responsible for the deposit and half the tuition fee. The full tuition fees will be charged to anyone cancelling less than a week before the session begins.

Q. How do you transport on field trips?

A. All transportation is provided by Loma Prieta school district buses.
