

**WILDFIRE CAN HAPPEN  
IN YOUR COMMUNITY**

***PLEASE PROVIDE INPUT IN YOUR***

**SANTA CLARA COUNTY  
COMMUNITY WILDFIRE PROTECTION PLAN**

**What does a Community Wildfire Protection Plan do?**

- Identifies areas at risk for wildland fire
- Asks the public to share ideas on wildfire prevention and identify community values at risk
- Makes recommendations for the treatment of hazardous fuels
- Prioritizes areas for wildfire reduction projects
- Makes recommendations for actions homeowners can take to reduce fire risk

This workshop has been initiated to share with the community the preliminary project ideas developed through the CWPP planning process and introduce you to the Draft CWPP to kick off the public review period.

**PROVIDE YOUR INPUT!**

Join us at:

**Wednesday May 4<sup>th</sup> @ 7PM– 9PM**

**Focused on Monte Sereno, Los Gatos and the Lexington Hills**

Pavilion at Redwood Estates  
21450 Madrone Drive, Los Gatos

In addition to these workshops, we want to hear from you through our brief online survey at: <http://www.sccfireplansurvey.com/>.

**For more information and to follow the progress of the plan, including information on public review, please like us on Facebook:**
