Highlighting the Athletic Achievements of Loma Prieta & CTE Students

Track & Field

Heading into the last weeks of the season, there are more WVAL track meets to report about! Some highlights from the second meet include:

- Sam Fulton won the 7th grade discus with a throw of 91'11".
- Kylie Horn won the 8th grade hurdles in 11.63 seconds. She also soared 31'11" in the triple jump and ran 13.97 in the 100m.
- Trevor Beauchamp won the 8th grade hurdles in 10.77 seconds.
- The 8th grade girls broke 60 seconds in the 4x100m relay with a time of 59.80 and their 4x400m relay ran 4:41.60.
- Mike Ramsey ran 5:37.23 in the boys 7th-grade 1600m.

At the third meet, the Cheetahs faced teams from Fisher, Price and Dartmouth, but continued to set a few more PRs. Some of the key results included:

- Jack Engel took 3rd-place in the 8th-grade boys 65m hurdles.
- The 8th-grade girls 4x100m relay team placed 3rd.
- Carly Hoffner finished 3rd-overall in the girls 1600m run.
- Sam Fulton won the 7th-grade boys discus again, with a throw of 81'4".
- Kylie Horn won the 8th-grade girls triple jump.
- Loma 5th-grader, Alex Denman, placed 3rd in the 6th-grade boys triple jump event.

Skating Star

Kayleigh Khandelwal continues to fly on the ice, performing both individually and as a member of the Sharks In Sync' Senior Team, skating for Sharks Ice in San Jose. (She even studied the physics of skating as part of her recent CTE science fair project – Kayleigh's research proved her spins are fast, rotating at over 240 rpm)! Last month, she competed in the Bunny Hop Invitational and secured two first place scores and her personal best. She will be competing in Tahoe next month at the Northern California district championships and will appear with her synchronized skating team at the July World's event in Minnesota. Good luck, Kayleigh!
