

Fall Mountain Soccer 2016

Why go down the hill for soccer when there is a thriving soccer league on the mountain? Kids from all over the mountain have been participating in this friendly yet competitive game for years. Come learn a new sport or improve existing skills, exercise, learn sportsmanship, meet new kids & families, build community and socialize with friends. Coaching is provided by our fantastic Los Gatos High School Students, who have passion for the sport and our mountain community.

This co-ed sport is open to Loma, Lexington, Lakeside, CT and Homeschooled kids from Gr. 2nd – 8th.

Practices start Friday's 3pm September 2nd. Games are Saturday mornings starting on September 17.

All games and practices are held at the Loma Prieta Elementary School Field.

Not sure if your child wants to play? There will be an introductory soccer clinic held Friday August 26th at 3pm on the Loma Field. Here you will meet our fine coaches, participate in small group work sessions and learn with veteran FMSL participants. **Bring your shin guards, socks, cleats, extra snack and water bottle.**

Don't have cleats? Or one's that don't fit you anymore? Bring your old cleats to the clinic to swap or donate with fellow players.

Parents, if you have a child in 2nd -4th and are interested in co-coaching your child's team, please contact
