## Girls and Boys Cross-country

The Cheetahs are off and running in another cross country season. The team has already had two meets, and the CTE runners are doing well. In the second meet, on the 1.5 mile course at JD Morgan Park, some Cheetahs again fared well. Mike and Cooper placed 9<sup>th</sup> and 13<sup>th</sup> overall in the boys 8<sup>th</sup>-grade race. In the 7<sup>th</sup>-grade boys race, both Matthew Fehr and Kurt Beckman broke into the top 10 finishers, crossing the line in 9<sup>th</sup> and 10<sup>th</sup>-place, respectively. ## Girls Soccer

**6<sup>th</sup>-Grade:** The Cheetahs girls have had a couple more matches, struggling against the “eager-to-not-stop-scoring-even-though-they-had-plenty-of-goals” squad from Rolling Hills, and playing a much more enjoyable-to-watch, competitive game against Monroe middle school. While the final Monroe score was still 0-4, the action on the field was the girls’ best team effort to date. The defense had a number of good moments, including stops by Clare McNamara, Avery Mills, Liza Orekhova, Gracie Green, Kaelie Arnold and Dani Tal. The offense took a few shots on goal, including two shots by Arwen Wachob, but sadly, none with enough power to get in the back of the net. The girls also had a great battle on the field with EDS last week, keeping the match very close with a final score of 0-2.

## Boys Volleyball

More updates about the boys volleyball season coming in the next edition. In the meantime, the squad did have another great match last week, beating Redwood Middle School, 2-1.
