Why take art with Helen O’Dea? Helen is the art teacher at CTE and a parent. She loves art and wants to create a class using different mediums and allow the children to express themselves. Some holiday inspired art projects will also take place.

Helen will meet students after school at the flagpole and walk them to the Art Room. Parents are expected to pick up their students on time. Each class has limited enrollment. **Please register by October 24. Late registrations accepted by prior approval only. If there is insufficient enrollment, the entire session will be cancelled!** **EARLY REGISTRATION DISCOUNT! Register by October 21, and take \$10 off registration fee.**
