

2017 KEEP SURVEY

KEEP! 2017

Please take the time to answer our annual LPEF survey and provide us with information to better serve our children, parents, and community. This survey is anonymous and is YOUR chance to tell us how YOU would like the Education Fund to spend your generous donations. We value your honest opinions.

The completion deadline is Friday, February 3rd. We estimate that it will take approximately 2 minutes to complete. Before starting it, we would like to provide a little background on LPEF and KEEP.

LPEF is our Loma Public Education Fund. LPEF was created in 2001 and exists solely to raise money for the Loma Prieta school district. Volunteer Governing Board members meet regularly with the Superintendent, School Board, Principal, teachers and parents to develop funding priorities. KEEP (Keep Excellence Education Programs) is our annual donation campaign. In addition, LPEF has many other fundraising events (GALA, Golf Tournament, Peacock Tree Farm, Sip for our Schools, and Shop for our Schools) throughout the year.
