

Loma Prieta Joint Union Elementary School District presents:

Kids & Company
Summer Day Camp
 June 12 – July 28

Consider Kids & Company’s “**Voyage through the Summer**” Day Camp in your summer plans. Each theme-based week of camp can include two fun-filled field trips, games, crafts, a science lesson, and an optional dress-up day, with convenient daily drop-off and pick-up right at the school.

The program is extremely flexible to accommodate busy families. You can enroll for the full summer, or only in some of the camps, and choose which days during each camp to attend. Parents can customize their enrollment schedule to fit with their other planned activities.
