

In honor of Raquel and her family in Puerto Rico, please join the Loma Home and School Club in support of hurricane relief!

Ms. Raquel always goes the extra mile for Loma kids. Now Loma kids are going to go 3,600 miles for her!

Puerto Rico has recently suffered heart breaking damage due to Hurricane Maria. Our awesome school secretary, Ms. Raquel, is from Puerto Rico and her family and friends have suffered as a result of this hurricane.

- Homes are damaged or completely flooded out.
- Food and drinking water are in short supply.
- There is no electricity for most.
- Phones are down. There is no Internet service.
- At Loma, we lost power for week. Puerto Rican families could be without of power for a year!

We can make a difference! Let's work together to raise a dollar for each mile that separates Loma Prieta School from San Juan, Puerto Rico, where Raquel's family lives. A portion of the funds will help Raquel's family directly with items such as a solar generator. Another portion of funding will be donated in Raquel's honor to ***United for Puerto Rico*** which is working to help all families in Puerto Rico. All donations will go to the Loma Home and School Club and are tax deductible.

Each donation will earn a cougar paw print representing matching miles toward our goal of 3,600 mile goal. For example, a \$10 paw print will get us 10 miles closer to our goal. We will be placing our cougar paw prints all around the forum and see how many miles we can go for Ms. Raquel.

Please consider donation of any amount and decorate a paw print with your child's name, miles, and/or message for Ms. Raquel. Don't stop at just one paw print-- for each donation, decorate another paw print and get us closer to our goal! Give all donations and personalized paw prints to your child's teacher. If your family writes a check, please make it out to the Loma HSC and note PR Relief on the check.

Let's go the extra mile for Ms. Raquel and Puerto Rico!
