

Easy ways to **EARN CASH** for CT English Home & School Club!

Every little bit helps and adds up quick!

About to recycle an empty box of Ziploc bags, a box of Pasta Roni, or a box of cereal? Look for the box top coupon before you toss it, cut it out and turn them into the school office. Each one is worth 10¢. They add up quick when everyone does it! These little pieces of money are on various packages. Don't throw away these "dimes"!
