# Winter Creations

**February 20 through 23**

Kids and Company invites all school-age children to paint, play, and create at Winter Creations camp. Your child will shine during this Winter Break through game play, craft projects, and other creative activities, including a super-fun field trip.

**Tuesday:** Imagination and creativity will flow as the students create their own sand art masterpieces, paint with melted wax and making jewelry.

**Wednesday:** Drama is the theme of the day as the students don crazy hair-dos, decorate their faces, and put on a skit. There will also be open art time, where they can choose from various projects, including watercolors, junk art, colored pencils, painting, etc.

**Thursday:** A Magic School Trip is planned for Thursday – more details are on the way!

**Friday:** Pajama Palooza! Campers can come in their pajamas and have an all-day slumber party.
