

Summer Day Camp

June 11- July 27

7am - 6pm

It's time to start planning for summer enrichment activities, and Kids & Company is here to help with “[Summer Fantasies](#)” Day Camp. Each week of camp is based around a different theme, and all include a fun-filled field trip, swimming, games, crafts, an optional dress-up day, and some science too.

The summer camp program is incorporating National Best Program Standards for Extended Day School Programs by including scheduled time for the “3Rs”, lessons focused on science, history, and nutrition, and activities to increase the self-esteem of our campers. Our child-to-staff ratio is 12:1 or better on days when the campers remain on campus, and 7:1 or better on field trip days.

The program is flexible by design so you can enroll for the full summer, or only choose to attend some of the camps, and families can choose which days during each camp to attend. So, whether you are looking for weekly enrichment or an occasional adventure right here on the mountain, Kids & Company has a camp for you.
