

# Summer Science Camps

Now with more camps for  
PreK-2nd grade!

## DISCOVER · THINK · LEARN

YSI is a non-profit organization that has been providing hands-on science learning since 1953

YSI Summer Science Camps are held at Vasona Lake County Park, Los Gatos

Each YSI camp incorporates science, hiking, games, arts & crafts, and live animal programs

We offer early morning drop-off and extended day options to accommodate your schedule

Our unique camp content is designed to encourage and foster social development

**Half and extended day camps for Pre-K to 6th grade**

**June through August**
