Highlighting the Athletic Achievements of Loma Prieta & CTE Students

Loma Prieta Presidential Physical Fitness Awards

The President's Council on Physical Fitness and Sports dates back to 1956, when President Eisenhower initiated the first national testing program. Today, the **Presidential Physical Fitness Award** continues to recognize students who achieve an outstanding level of physical fitness. Boys and girls who score at or above the 85th percentile (based on the 1985 School Population Fitness Survey) on all five events (curl-ups or partial curl-ups, shuttle run, endurance run/walk, pull-ups or right angle push-ups, and V-sit or sit and reach) are eligible for the award. Congratulations to the all of the physically fit 5th graders this year, and thanks to Coach Patino for continuing to facilitate the annual program!
