

**C.T. English Middle School  
Good Citizen & Drug Free  
Pledge**

I realize that representing CTE in an after school sports program is a privilege. I also realize that in order to remain active in this program, I must maintain a record of good citizenship and good grades.

I understand that if I get a referral or am suspended from school, I will automatically forfeit my privilege of representing CTE for the duration of the referral or suspension.

I realize that if I have been assigned after school detention, I may not participate in sports on the day assigned until the detention is cleared.

I also realize I must maintain a "C" average and be passing (no D's or F's) in All classes in order to participate in after school sports.

I understand that grades will be routinely checked, and if I fall below the standards, I will be required to fulfill a tutorial requirement until my grades are raised to an acceptable level.

I understand that displaying uncooperative, disruptive, or otherwise disrespectful behavior, including the use of foul language may be grounds for removal from the team and the sports program, and will be at the discretion of the coach, AD, and/or Principal.

I understand that my participation donation is not refundable for disciplinary dismissal.

I know that CTE is a drug free school.

I know that drugs pose serious health risks and cause negative effects both to learning and social behavior.

I support the goal of a drug-free environment.

I hereby promise that I will not use alcohol, tobacco, or other controlled substances. I am doing this for my own well being and for the good of my school. I understand that I will lose my position in the sports program if I break my pledge.
