

Summer Day Camp

June 10- Aug 2
7am - 6pm

It's time to start planning for summer enrichment activities, and Kids & Company is here to help with “**Super Summer Heroes**” Day Camp. Each week of camp is based around a different theme and includes a fun-filled field trip, swimming, games, crafts, an optional dress-up day, and some science, too.

Kids and Company incorporates National Best Practice Standards for Extended Day School Programs by including scheduled time for the “3Rs”. The daily routine incorporates lessons focused on science, history and nutrition, and activities to increase the self-esteem of our campers. Our child-to-staff ratio is 12:1 or less on days when the campers remain on campus, and 7:1 or less on field trip days.

The program is flexible by design so you can enroll for the full summer or only choose to attend some of the camps and families can choose which days during each camp to attend. So, whether you are looking for weekly enrichment or an occasional adventure right here on the mountain, Kids & Company has a camp for you.
