Winter Fest

February 19 through 22

Kids and Company invites all school-age children to paint, play, and create at Winter Fest camp. Your child will shine during this Winter Break through game play, craft projects, and other creative activities, including a super-fun field trip.

Tuesday: Imagination and creativity will flow as the students create their own sand art masterpieces, paint with melted wax and make jewelry.

Wednesday: Drama is the theme of the day as the students don crazy hair-dos, decorate their faces, and put on a skit. There will also be open art and games.

Thursday: A Magic School Trip is planned for Thursday – more details are on the way!

Friday: Party Day! Campers will plan a theme party for this day.

To enroll, please fill out the bottom portion of this flyer and return it to Kids and Company
