

Loma Prieta Joint Union Elementary School District presents:

Summer Day Camp

June 11– Aug. 2
7 a.m. – 6 p.m.

It's time to start planning for summer enrichment activities, and Kids & Company is here to help with “[Super Summer Heroes](#)” Day Camp. Each week of camp is based around a different theme, and all include a fun-filled field trip, swimming, games, crafts, an optional dress-up day, and science lessons, too.

The summer camp program is incorporating National Best Program Standards for Extended Day School Programs by including scheduled time for the “3Rs”; lessons focused on science, history, nutrition, and activities to increase the self-esteem of our campers. Our child-to-staff ratio is 12:1 or better on days when the campers remain on campus, and 7:1 or better on field trip days.

The program is flexible by design so you can enroll for the full summer, or only choose to attend some of the camps. Families can choose which days during each camp to attend. So, whether you are looking for weekly enrichment or an occasional adventure right here on the mountain, Kids & Company has a camp for you.

Week 1: Be Your Own Hero, June 10 – 14

Campers this week will explore all the exciting things to do the summer.

Tuition Fees

Kids & Company is a non-profit, non-subsidized program. We depend solely on tuition fees to operate this program. A discount is also available for co-enrolled siblings depending on the number of days enrolled; please inquire for more details.

For campers that attend two or more days a week, tuition includes field trip fees, but entrance fees maybe charged to campers who attend only on the field trip day during a given week, depending on the cost of the trip.

To staff day camps as scheduled above, a minimum average of 12 children per day must be enrolled. Hours of operation may be altered or days cancelled if fewer children are enrolled.

On-line registration begins in April, and early enrollment is recommended to ensure the planned camp days and times are maintained in the summer program. Since the program must have average minimum of 15 students enrolled per day to operate the program, and the program schedule must be finalized at the end of May, low enrollment as of May 28 may result in modification or cancellation of camp hours/days. In addition, enrollment in the program will be limited on days when school buses are used, so enroll early to secure your child's spot.

If you have any questions, please call 408-353-KIDS (5437) or visit Kids & Co. any weekday afternoon in rooms 3 & 4.

Commonly Asked Questions

Q. Do I have to sign-up by May 28?

A. You do if you want to ensure your child's enrollment and save on tuition costs. Some of the field trips are prepaid and seating on the buses is limited, so early enrollment ensures your child's spot. Signing up in advance also allows the staff to plan proper ratios of leaders to children; late enrollments cannot be accepted if staff is not available to maintain these ratios. Further, since the camp schedule must be finalized in advance, low early enrollment (e.g., <12 campers on average per day) can result in modification of hours or cancellation of camp days even if later enrollments achieve the minimum enrollment requirements.

Q. Can my child just drop in for be a few hours?

A. Summer activities are planned for the whole day and are not suitable for drop-ins.

Q. What if I don't know what days I need each week?

A. Do your best to sign up for the weeks you think your child(ren) will attend. If you find you have enrolled during a time when your child(ren) won't attend, you can withdraw the enrollment if you give at least two weeks notice before the start of the session and only be responsible for your deposit. If you cancel one week before camp, you are responsible for the deposit and half the tuition fee. The full tuition fees will be charged to anyone cancelling less than a week before the session begins.

Q. How do you transport on field trips?

A. All transportation is provided by the Loma Prieta School District buses.
