

WELCOME INCOMING KINDERGARTEN PARENTS

Please join us for a special Kindergarten Orientation.

May 22, 2019

2:00-3:00

Please come to the main office of
Loma Prieta Elementary School.

Meet the kindergarten teachers and administrative team.
We will discuss kindergarten readiness, provide introductory
information on what to expect in the Fall, and typical topics
found in the kindergarten curriculum.

We are looking forward to meeting you soon. This event is filled with important
information for parents. Unfortunately, we do not have capacity
for childcare, so please plan accordingly.

Open House is our more kids-friendly event,
which is scheduled for the evening of May 23, 2019.
