Dear Parent/Guardian of all 6th grade students,

School law requires all incoming 7th grade students to have proof of a whooping cough booster ("Tdap") shot in order to attend class next year.

The State of California will not accept "Personal belief waivers" any longer. You must get a medical waiver if you do not wish to have your student vaccinated.

To avoid delays for the beginning of next year, we urge you to submit a booster shot record for your student soon as possible. If your student has not had a Tdap booster shot yet, please schedule an appointment with your regular doctor now. Vaccines may also be available at local pharmacies and at the Santa Clara County Public Health Dept. If your student has already received a booster shot, please bring a copy of the immunization to the CT English Middle School office right away.

Please do not wait. If your student does not have the proper booster on file with the school office, they will not be allowed to attend classes in August.

Feel free to call us with any questions or concerns. Our phone number is 408-353-1123 ext. 5000

Thank you,

Karren Zook
Principal
